## OLD HOME DAY ACCOUNT

---

The Old Home day is happy to return to the town treasury \$46.15, an unexpended balance from the \$200 voted at the last meeting for Old Home day celebration. In addition to this cash we return to the town, stands, lumber, etc., to be used another year.

On July 27th an informal Flag Pole committee tendered to us the subscriptions they had received and we undertook to complete this work, additional cash was required which our good financial condition enabled us to supply, on Old Home day we presented this flag and pole to the town.

In accordance with our agreement to record the donors to the Chesterfield Town Flag fund we publish herewith their names, we admire their civic pride:

Mrs. Mary L. Burbank, Fred Porter, Chester Burnham, Carl Huntley, Orrin Randall, Moses H. Chickering, George Webb, Everett Kellogg, Fred Humphrey, Walter Dunbar, Mrs. Nellie Hill, L. E. Estler, Mrs. Gertrude Cook, Fred Holman, Stanley and Virginia Spaulding, Alonzo Rhinesmith, George Dutcher, Burton C. Thatcher, Edward Armstrong, Frank Hamilton, A. L. ## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Chesterfield:

I hereby submit my third annual report as Superintendent of Schools.

### TEACHERS

Again we were fortunate in having only one change in our teaching force during the summer vacation. Miss Myra Blackington resigned her position in charge of the upper grades at Spofford and Miss Mildred Mitchell, a graduate of Keene Normal school with two years experience, took her place.

The following table gives the organization of the schools for the year 1927-1928.

School	Teacher	Present Membership
Chesterfield Primary,	Dorothy Barrett,	17
Chesterfield Advanced,	Marion Stanton,	12
Spofford Primary,	Agnes Kane,	18
Spofford Advanced,	Mildred Mitchell,	20
West Chesterfield Primary,	Minnie Marshall,	18
West Chesterfield Advanced,	Catherine Gallagher,	13

### WEST CHESTERFIELD

As the school year began there were 27 pupils in the school at West Chesterfield. In a few weeks this number had risen to 33 with the prospect of 2 more. This number seemed too many for one teacher to handle and the School Board with a nearly unanimous petition from the people of West Chesterfield in their hands hired a second teacher to handle the upper grades.

This arrangement has been very satisfactory from the educational standpoint.

Chesterfield is however facing a situation in which six teachers are hired to do the work which four could easily do if the children were in one locality.

If the enrollment at West Chesterfield should warrant this arrangement another year it would be highly desirable to alter the windows in the upper grade room to provide better lighting.

### BUILDINGS

During the summer all three school houses were painted with two coats of white paint. The blinds which were in poor condition were removed.

An old chimney at Spofford which had been giving a great deal of trouble and was unsafe was torn down and a new chimney built. The wood shed roof was shingled.

New blackboards were installed at West Chesterfield.

The school buildings are in good condition. In spite of a large amount of window space the rooms are too dark for the children on winter afternoons. The installation of electric lights would be a great benefit.

### UNION NURSE

Chesterfield has joined the other towns of the Union in employing Miss Frances Edgett R. N. as a Union School Nurse. Miss Edgett will spent four weeks in Chesterfield. She has already examined the children and will be available for short periods during the remainder of the year. I bespeak for her your cooperation.

### HEALTH

Medical inspection in the schools was handled last year by Miss Edith Foss R. N. The results of her examinations are listed in the following table.

Underweight,	13
Defective vision,	5
Defective hearing,	4
Orthopedic defects,	6
Defective teeth,	64
Tonsils (diseased or enlarged),	19
Adenoids,	3
Defective breathing,	3
Enlarged glands,	12
Unvaccinated,	19
Unvaccinated without proper excuse,	12
Skin disease,	2

As dental care seemed to be the outstanding need of the children, dental clinics were held at or near the school houses—2 days at Spofford, one day at Chesterfield and one day at West Chesterfield. Dr. Irving Crandall and Miss Foss were in attendance.

Total number treated,	41
Total number receiving complete care,	39
Total number having teeth cleaned,	35
Total number fillings,	89
Total number extractions,	39
Total number operations,	163

The dental chair was loaned to the district by the state. The clinic rates were as follows: Teeth cleaned 50c, extractions 50c, fillings 50c-\$1.00. Novocain was used when occasion arose.

### NOON LUNCH

The arrangement by which a hot dish is served at noon to those who carry lunch to school has been continued this year.

In this connection I wish to express the appreciation of the district to the Red Cross for its generous contribution of funds which has made this work possible at Chesterfield and West

Chesterfield. The \$50 appropriated by the town for this purpose is being appreciated by the children during the present winter.

### CHARACTER EDUCATION

One of the most important duties of any teacher and one which should pervade all her work is the building of character.

This has in the past been handled rather informally and often neglected.

The State Board of Education has recently recommended for use in the schools an outline of work in character education and we have during the past year followed this outline in the Chesterfield schools.

As part of the work in character education there has been introduced in the schools a system of school banking giving the pupils a chance to deposit a small amount of money regularly and to receive interest on such accounts. Certainly thrift is an important phase of character development.

The health and the character of the growing child are very important. I hope there may be numerous conferences between parents and teachers on these two subjects.

I wish to express my appreciation of the efforts of the parents, School Board and the teaching force toward maintaining better schools in Chesterfield. It is this cooperation which makes the work effective.

Respectfully submitted,

WILLIAM SLADE, JR.

Superintendent of Schools.
